

Service Hour Requirement

At Lake Christian Academy, we believe parent involvement is vital to our ministry of Christian education. We love having parents assist us in our mission. In order to keep tuition as low as possible, we require all families to give 20 service hours, per student, per academy year. These hours replace additional staff that would need to be hired to help accomplish our mission with the maximum of 60 hours per family.

I understand that Lake Christian Academy is dependent upon each family's participation and assistance. As such, each family is expected to give of their time by serving in the various ways that LCA may need.

I understand that I am responsible for 20 hours of service per student per academy year with a maximum of 60 hours per family. I also understand that I am expected to log my hours on the "Track it Forward" app/website.

I understand that there is a "buyout" option at the rate of \$500 per student per academy year. If I elect this option, the service hour buyout is due on the first day of academy in September. I also understand that if I do not elect the buyout option, I will be invoiced for the total of incomplete hours at the rate of \$25 per hour on the last day of academy. I understand that records will be withheld until that invoice is paid. If we have re-enrolled our student(s) for the next academy year, our enrollment status will be forfeited until the invoice is paid.
